AGILAN® Calf and Cattle
Bolus Range

Agilan® Calf and Cattle Bolus range from Mepro!

Mepro's Agilan® Bolus range with vitamins, minerals and trace elements for a needs-orientated supply of your animals. Agilan's versatile bolus range supply the needs of your animals to the point or for optimal development and performance in and outside the stables.

Agilan® Bolus range offers an efficient program for optimizing the respective live stages from calf rearing up to the full-grown cow. This range was developed to prevent and overcome troubling symptoms and health support in cattle breeding.

Agilan® Bolus range delivers selected vitamins, trace elements and minerals supporting ruminant comfort and soundness.
